

## Nissan Forklift

Nissan prides itself on attaining total consumer satisfaction when their customer is enjoying one of their many trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to delivering high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with strong manufacturing principals, Nissan lift trucks supply many of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to keep up with worldwide lift truck demands. Committed to offering customer support, the business has four independent production facilities that permit them to continually adapt to their customers continually evolving wishes by providing an assortment of modern ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental responsibility by using systems and procedures that minimize their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their clients command whilst being an environmentally responsive company.

Nissan is fairly certain that any of their consumers inquiries and customer worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
